

ILA Academic/Special Division Report
April 4, 2006

1. Fall 2006 ILA Conference

Since 2006 is the centennial of the Moscow Public Library, the Friends would like to host a reception for all ILA attendees on October 4 at the MPL. Arrangements will be worked out with the conference committee chair.

2. A nominee for chair of the division has been forwarded to Barbara Greever: Laurie Francis.

3. Proposed revisions to the division bylaws were emailed to division members in January 2006 along with a request for discussion, but only two responses were returned. Therefore, the chair and vice-chair may choose to bring these bylaw revisions up for a vote at the annual division meeting in October 2006 at the annual conference.
