

**ILA Academic/Special Division Report
April 12, 2005**

Fall 2005 ILA Conference

The following sessions and speakers have been lined up:

Greg Notess will do three separate sessions: one on Google Scholar and Google Print, one session entitled "Search Engine Snake Oil" and one session entitled "Digital Library Resources."

There will be a workshop on annotating catalog records, presented by Phil Homan and (perhaps) Leonard Hitchcock and Jim Jatkevius.

Sandi Shropshire's workshop on the 13-digit ISBN is scheduled also.

Possible session: Lynn Baird's idea of a workshop on blogging, possibly done jointly with Jenny Semenza.
