(Conference Division meeting, Oct 6, 2006)**

**NCLB reauthorization**

- J. Linda Williams, Immediate Past President, American Association of School Librarians (Director, Library Media Services, Anne Arundel County Public Schools, Crofton, Maryland) was at our division meeting
- Linda shared drafts of documents from AASL concerning the wording of passages about school librarians in the reauthorization of NCLB. The group discussed, asked questions and approved the proposals from AASL.

**Consideration of possible affiliation with AASL**

- The ILA Education Media Division would be the official affiliate
- The AASL Plan for Affiliation was handed out to attending members.
- The attending members of the Education Media Division discussed becoming an affiliate, and were in favor of it because it would add our voice to the national level discussion of ed media issues.
