Educational Media Division Report

Idaho School Library Media Program of the Year

- Draft of the application is completed. Norma Jean Sprouffske, Bryan Burnett (Follett rep) and I collaborated on the draft. The draft is included with this report and has been sent to several people for additional comment:

Val Fenske, SDOE & ILA pres.
Wayne Gunther, ILA Awards chairman
Marlene Earnest, mid-size rural library; HS librarian
Glynda Pfeleger, small rural library
Marcia Beckwith, large urban library; SW Idaho
Susan Easley, North Idaho
Susan Tabor Boesch, middle school librarian; central Idaho
Stephanie Bailey-White, ISL
Larry Gould, East Idaho, librarian at all levels
JaNeil Buttars, Preston HS
Bryan Burnett, Follett Library Resources rep

- Questions for the board to consider:
 - Should ILA Award Committee have a school librarian on the committee?
 - Is it Okay that applicants "may or may not be current members of ILA"?
 - Is the nomination deadline (May 31) realistic? (Need to inform winner, give him/her time to plan conference presentation, trip to conference)
 - Will winner be acknowledged at the awards banquet?
 - Budget for award...
 - My ILA budget request was for Postage \$100, supplies \$100, Honorarium \$350, Other \$50. Follett will donate \$500 to ILA for the award.
 - With the current draft of the award, would need to move the "Other" to "Honorarium." (We figured a \$400 cash award to allow for travel, lodging and registration for the conference).
 - How is the plaque paid for? (From Follett's \$500 gift for the award or by ILA?)
 - Will ILA pick up supply/ mailing costs that may include a flyer to each superintendent?
