Idaho Librarian Annual Report

An *Idaho Librarian* report was submitted for the January 18, 2006, meeting of the ILA Board. No reports were submitted for the November 18, 2005, and the April 7, 2006, meetings.

The *Idaho Librarian* is behind in publication. The August 2005 issue (vol. 57, no. 1) was the last to be published. The November 2005 (vol. 57, no. 2) and February/May 2006 (vol. 57, no. 3/4) issues are still in preparation. Publication of these late issues will bring the *Idaho Librarian* to the current volume, vol. 58, and business year, 2006-2007.

The Ad Hoc Committee to Review the Policies, Procedures, and Functions of the Publications Committee, chaired by the *Idaho Librarian* Editor, did not meet during the 2005-2006 business year but will meet in October 2006 and will report at the November 2006 meeting of the Executive Board. The Committee received the charge at the January 18, 2006, Board Meeting to review the focus of the *Idaho Librarian*, particularly vis-à-vis the ILA Web site and the LIBIDAHO listserv, and to review the function of the Publications Committee in assisting the Editor with the *Idaho Librarian*, with an eye toward re-establishing the Committee.

Negotiations with the H.W. Wilson Company to index the *Idaho Librarian* in the paper index *Library Literature & Information Science* and to both index and provide full-text access to it in the database *Library Literature & Information Science Full Text* will be postponed until a decision is made regarding the publication pattern of the *Idaho Librarian*.
