Idaho Librarian Report

The November 2004 issue (vol. 56, no. 2) of the *Idaho Librarian* was published on Friday, November 5, and a message was sent to the LIBIDAHO subscribers that day. The issue features an interview with ALA Executive Director Keith Michael Fiels, who gave the Keynote October 6 at the 2004 Annual Fall Meeting; the announcement of the 2003 Idaho Library Association Book Award; and a report about the ILA delegation to the 2004 National Library Legislative Day in Washington, D.C., last May. Sandra Shropshire served as Guest Editor of the November 2004 issue and has assisted in other ways with the transition to a new Editor. Thank you, Sandi!

The Editor wishes also to thank past Editor Leonard Hitchcock, who has served the ILA as *Idaho Librarian* Editor for the last two years, since the November 2002 issue, as well as Sue Carter, IT Information Systems Technician at Idaho State University's Eli M. Oboler Library and *Idaho Librarian* Technical Assistant, for also both assisting with the transition.
