

Report
ILA Vice-President/President-Elect
12-28-06

I have been gathering details for the regional conferences as they are determined. These include items such as dates, exhibit chairs, locations, etc. As I get the information, I send it to Penni Cyr to be updated on the web page. Except for the location for Region 5/6's conference, I have collected all relevant details. They should be available on the website soon.

As of the writing of this report, I have received budget requests for Regions 2 and 3, and should note that the deadline for submission is 12/31.

Respectfully submitted,

Sandra Shropshire
