### Regional Conference Update

I would like to request for the ILA Board to approve the release of seed money in the amount of \$750 for each of the following 2006 regional conferences (motion needed to release a total of \$2250):

- **Region 3**  
Treasure Valley  
April 8 2006  
[Colleen Bonnell](#) & [Sue Walker](#); chairpersons
- **Region 4**  
Magic Valley  
May 19 2006  
[Steve Poppino](#) & [Jennifer Hamilton](#); chairpersons
- **Regions 5 & 6**  
Southeast & Eastern Idaho  
Still to be determined  
[Gaila Clough](#); chairperson

Thanks to Penni Cyr, the Regional Conference website has been updated to include the above information and the planning manual. Each regional chairperson is actively planning programs and has been informed of the request to include an ISL Vision 2020 session. I have also offered to help each chairperson with the recruitment of an ILA Board member to be present for a welcoming message at each conference.

A 2005 Conference Report from Region 4 has been received from Harriet Newlin. The net income/expense was a "wash". I will forward this report to Pam Bradshaw, ILA treasurer.
