

Idaho Library Association
 Vice President's Annual Report
 October 4, 2006 Board Meeting

2006 Regional Conference Summary

This year three ILA sponsored regional conferences were held across the state. Each conference chair(s) and committees deserve a round of applause for their efforts in successfully making continuing educational and networking opportunities available for library staff in their area. These conferences require a lot of work and coordination. This year their efforts paid off, as each conference had a solid offering of sessions and made a profit for the Idaho Library Association. I would also like to thank Penni Cyr for her work on the regional conference web pages. This year we were able to post the conference planning manual and related forms to help guide the conference planning committees.

2007 Regional Conference Info

Training for incoming conference chairs will be done on an as needed basis by the incoming ILA vice president and myself. This is being done in place of training at the annual conference because some regions do not yet have conference chairs appointed and others have chairs in place with ILA regional conference planning experience.

Region 1: Region will opt out this year.

Region 2: Lynne Bidwell is working to find a chair and will serve as past-chair to help guide the process.

Region 3: Sue Walker is working to find a chair and is willing to chair again if needed.

Region 4: Steve Poppino & Jennifer Hamilton will co-chair again.

Region 5 & 6: Valerie Stohl will chair. She worked on last year's Region 6 conference committee.
