### Regional Conference Update

This year's three ILA sponsored regional conferences are on track. The dates, locations and programs have been set. Each chair-person or designated treasurer has received a check for \$750 as seed money from ILA. The regional conference portion of the ILA website has been updated to include all relevant information. Each conference chair has been informed of the ILA Board's decision to set the registration difference for ILA members/non-members at \$25 and to include either an ILA membership form with the registration packet or a web link to the membership form on the registration form. All conference chairs have advertised their region's conference on the LibIdaho Listserv. Region 4 is still looking for an ILA Board member to do a welcoming introduction. The conference information is as follows:

- **Region 3**  
Treasure Valley  
April 8 2006  
Eagle Academy
