

Web Master's Report

1/18/06

Site Hosting Renewal

Due to other matters to discuss, the web master neglected to mention in his last report that web site hosting for www.idaholibraries.org was paid on 10/11/05 in the amount of \$119.40 to extend web hosting until 10/29/2006.

In the two years the ILA's site has been with Webmasters.com, we have seen consistent uptime, performance and support, and it is the web master's recommendation that unless this changes in the upcoming year, we continue to maintain our hosting with this provider.

Domain Name Hosting

Currently the idaholibraries.org domain name is held by Dan Lester, former ILA Web Master, and it is paid up until 3/8/08. During the transition of web duties from Lester to Michael Samuelson, the current Web Master, it was decided for the sake of expediency that Lester would continue to administer the domain name for the short term.

Samuelson now recommends that he and Lester coordinate the transfer of the domain name into Samuelson's name.

Respectfully Submitted,

Michael Samuelson
ILA Web Master
