

ILA Annual Conference Site Selection Report

January 17, 2006

The 2006 ILA annual conference site is Moscow in North Idaho and the 2007 site is Nampa in Central Idaho. I am currently looking at the following possible sites for the 2008 and 2009 conferences:

2008 (Central/Southern Idaho)

Boise
Pocatello
Twin Falls
Idaho Falls

2009 (North Idaho)

Coeur d'Alene
Post Falls
Lewiston

If ILA Board members have site suggestions for either year (or both years), please feel free to contact me.

Respectfully submitted,
