

## ILA Annual Conference Site Selection Report

December 19, 2006

A letter of agreement was signed in November accepting the contract with The Shilo Inn in Idaho Falls as the site for the **2008 annual conference**. Once I receive the official web link, I will forward for posting to ILA's website.

Lori Brown, senior sales manager for the Boise Convention & Visitors Bureau will be in contact with Val Fenske to coordinate a tour of potential **2009 conference sites** in the Boise area. I plan to contact North Idaho facilities later in 2007 to request proposals for the **2010 conference**.

Respectfully submitted
