Trustees and Friends Division Report
1/11/05

The major effort of this division for the time being is the production of the next Trustees and Friends Newsletter to be published in March. The focus will be on the content of the various regional conferences and urging trustees and friends to attend.

As chair of this division, an antiquated document has come to light in the form of a set of by laws someone constructed for the operation of this division. Since it is the first time I have ever been aware of such a document and since my term of office is essentially over, I will let my successor and the board deal with how they wish to handle it because it is so different from the way I have been operating, and I have no intension of changing in the winter of my tenure.

Respectfully submitted,

Timothy S. Hillebrand, Ph.D.
Chair
