

**Idaho Library Association
Trustees and Friends Division
Report
11/16/04**

The work of this division will be the production of the Spring Newsletter, which will be mailed by the end of March 2005. The purpose of the newsletter is to inform friends and trustees about what is going on at other libraries and about educational opportunities to make them more effective in their roles. To this end we will focus on the regional conferences, their relevant content, and a strong encouragement to attend.

If anyone has any suggestions about articles of interest to this audience, please let me know. If anyone has an announcement of interest or a good joke, please let me know.

Sincerely,

Timothy S. Hillebrand
Chair
