

## **Trustees/Friends Division Report**

11-18-05

As the proverbial new kid on the block, my "friends and trustees" committee report is very short:

1) On the recommendation of the out going chair Tim Hillebrand, I recruited Kelly Everitt, chair of trustees at Mountain Home, to fill the position. Aside from being the chair elect, Kelly and I will be working out specific vice-chair functions.

2) A high priority for 2006 will be to continue Tim Hillebrand's efforts to increase friends/trustees attendance at the annual conference.
