

# IDAHO LIBRARY ASSOCIATION

## 2010 Corporate Membership Application

In a time when every taxpayer dollar is precious, ILA will continue to get the message out that each dollar spent on Idaho libraries will be maximized. With your membership, you will help invest in education, work force and business development, community well being, tourism, recreational needs, and the overall quality of life in Idaho. **Studies of return on investment of libraries in other states**

**(<http://dlis.dos.state.fl.us/bld/roi/2004-ROI.cfm>) conclude that libraries offer states an economic return that is enviable, including \$6.54 for every \$1.00 invested in Florida (2004) and \$4.06 for each invested \$1.00 in Wisconsin (2008).**

Further, we would be delighted to recognize you on our homepage and give you access to our members-only directory. **Please join us today in championing Idaho's libraries and the thousands of citizens who depend on them.**
