

ALA Chapter Councilor Report
April 20, 2007

The ALA MidWinter meeting was held in Seattle in January. During the meeting, the Idaho's Chapter Councilor attended all ALA Council sessions, ALA-APA Council Sessions, and the Chapter Relations meetings. Reports on those events were posted on the ILA website and distributed to ILA membership via LibIdaho.

Those reports can be found at:

ALA Councilor Gina Persichini has been continuing to follow up with ALA staff to determine the status of moving the LibIdaho list to the ALA servers. Activity was delayed while ALA staff attended and completed follow-up after the MidWinter meeting in January.

Respectfully Submitted,

Gina A Persichini
ALA Chapter Councilor
