

Special & Academic Division Chair Report

Amy Vecchione

- Worked closely with conference organizers to plan the Academic & Special tracks of this year's annual conference by organizing forms, agreements, titles, etc. with Conference Chair Sandy Pratt.
- Am currently working with Gina Persichini and Kim Leeder on the Emerging Leaders applications, reviewing them and making a collective decision.
- Asked Jenny Semenza to find out more about chapters in ACRL. We have options, they cost no money, and there are many benefits. Something to discuss at some point in person.
- SWILA: Organized table at SWILA conference with Liesl Seborg, Gina Persichini, and Beth Neunaber. Thanks to Melissa (Kozel) Gains we had membership applications present. Spoke with many people about benefits of ILA membership.
- Updated Facebook page and Twitter account with good information.
- Am currently working with Shirley Biladeau regarding students in Idaho, ILA and mentorship possibilities to see what we can do collaboratively.
- Recruited interested parties to run for Chair/Vice Chair of the division.
- Spoke with and met with Rick Stoddart and Jenny Semenza regarding Chair/Vice Chair responsibilities.
