

PNLA Representative Report

November 9, 2009

Activity at ILA Conference in Burley:

In addition to attending ILA Board meetings I also staffed the PNLA table for Thursday morning where I answered questions about Leads, YRCA, PNLA in general and promoted the PNLA conference next August. I received a brief orientation to PNLA Board meeting locale for November from the past president. I also met with the PNLA president briefly.

Since the ILA Conference:

I have interacted with PNLA Board members via email discussing several topics including Oregon Library Association's withdrawal from PNLA and a system for online payment of membership fees and conference registration.

I will be traveling to meet with the Executive Board Nov 13-15 in Dumas Bay Washington. I do not have a proposed Agenda to date but anticipate we will be discussing next year's conference, YRCA, Leads, membership and the OLA situation.

Respectfully submitted,

Liesl Seborg
