RE: Idaho Library Association- President's Report - October - November, 2003

The weeks between annual conference and the November board meeting have disappeared into the busy schedules of the fall season. The highlights for my activities include:

- Frequent consultations with Vice-President Barbara Greer, Treasurer Pam Bradshaw and Secretary Lynn Baird, as well as past secretary, LaRita Schandorff, and past Conference Chair, Sandy Pratt., and current conference chair Cynthia Toppen.
- Participated in the conference call for Law Revision Task Force.
- Review of minutes for all meetings at October conference, Executive Board minutes and general membership minutes.
- Draft agenda and solicit business items for November meeting.
- With much help from Elaine Watson, location of meeting room space for our board meetings for the year.
- Answered many questions from many of you and attempted to identify who could be helpful if I could not.
